

Fall cleanup 2005 will be conducted based on the following schedule:

SE Quadrant: September 26

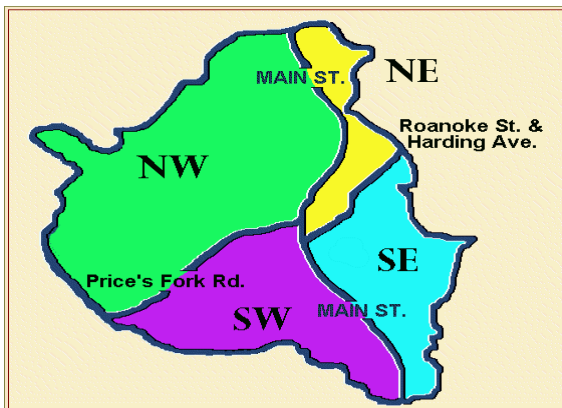

NE Quadrant: October 3

NW Quadrant: October 10

SW Quadrant: October 17

All items must be placed curbside before 7:00 a.m. the Monday of your quadrant's scheduled collection week. Items intended for Cleanup must be accessible by Town equipment from the public right of way, Town equipment will not enter private property, parking lots, or driveways to remove your Cleanup items or brush piles.

You can recycle your electronics, call 961-1806 to find out how.

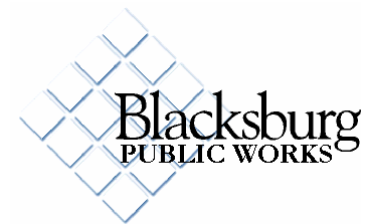

We look forward to providing outstanding customer service to our citizens.

For additional information regarding Brush Collection, Leaf Collection, Christmas Tree Collection, or Fall and Spring Cleanup, please visit our website at [www.blacksburg.gov](http://www.blacksburg.gov),

email your questions to [recycle@blacksburg.gov](mailto:recycle@blacksburg.gov), or contact the Recycling and Refuse Office at 961-1806.

**Did you know that your old appliances and tires are recycled by the Montgomery Regional Solid Waste Authority? They also grind brush into wood chips that are available to the public. MRSWA can be reached by phone at 381-2820.**

## *Fall Cleanup 2005*

100% recyclable  
as white paper

Debris and brush collection services are available to residential refuse and recycling customers only.

*No collection will be conducted on private streets, private property or in parking lots.*

**Materials must be separated into distinct piles of:**

- **Brush**

Must be no longer than 7 feet long, and 6 inches or less in diameter

- **Metal Appliances**

With any airtight doors removed.

- **Tires**

Must be removed from rims and have an inside diameter of 19 inches or less. Also, we cannot accept more than 8 tires per household. No commercial, racing, or farm use tires will be accepted.

- **Other Debris**

(miscellaneous junk)

**Material placed near mailboxes, water meters, fire hydrants, posts, or other obstacles that could be damaged by Town equipment during Cleanup will not be collected.**

Hazardous wastes, household or yard chemicals, any type of paint, car batteries, propane tanks (other than small camping type approx. 16.4 oz. net weight or smaller), household garbage, or tires with an inside diameter of more than 19 inches WILL NOT be collected with cleanup items. Car batteries should be recycled at local auto parts stores. Re-usable propane tanks should be returned to your distributor. Please note that this program is not intended to pick up waste from contractors or major construction and/or demolition debris. The Public Works Department may limit cleanup items to one dump truck load or approximately a 10'x10'x8' pile of debris per residence.

Citizens who need collection of brush or debris outside of their regularly scheduled collection times should call the Public Works Dept. at 961-1142 to request a special pickup. There is a fee for a special pickup, plus any tipping fees charged by the Montgomery Regional Solid Waste Authority. Another option is to utilize the Montgomery County Consolidated Waste Sites.

**Backyard composting is suggested as an alternative to placing small piles of brush curbside. Small amounts of bagged brush or yard waste can be disposed of in your blue refuse cart each week, please be sure the lid will still close.**
